

Life For Youth Camp will have Summer Camp this year. As you may know, we have always been proud of our high sanitation standards. We realize actions speak louder than words, so you will see several additional measures. This will include the continued daily cleaning of all buildings with frequent sanitizing of high touch areas. As well as, camper's temperatures being taken upon arrival to ensure we only have healthy campers. Many other precautions and initiatives will be taken in order to provide you with peace of mind. To provide our campers a "normal" camp experience, our staff will not be wearing masks during camp hours. Thank you for your support of LFYC and feel free to contact us with any questions.

There will not be any date changes for Day Camp 2020. We will have lower numbers this summer and will be limited in the amount of campers that will be accepted into our program.

Summer Camp 2020 Resident Camp Schedule Change
