OTHER FACILITIES

CABINS: We have 21 cabins on the grounds. Your group will be assigned a certain number depending on the guaranteed number you sign up for. Each cabin has 7 bunk beds, sleeping a total of 14 people. All have air conditioning/heat, restroom with toilet, sink, and shower, and a room for two counselors separated by a curtain. You will need to bring your own bedding for the beds. A sleeping bag or a sheet and blanket will be fine. Do not forget your pillow. We have a couple of handicap accessible cabins available with advanced notice.

MOTELS: We have six motel rooms located here on the grounds available for guest speakers, pastors, etc. The rate for these rooms is slightly higher than the cabin rate. Each room comes with two double beds complete with linens, towels, and washcloths. Rooms may be reserved ahead of time and are available on a first come basis. Sorry, but there are no televisions or phones in motel rooms. Please only reserve the number of rooms you are going to use in order to make them available to others sharing the grounds. Call anytime to reserve a room. No campers may stay in motels without adult supervision in each room.

GAME ROOM: An open-air, lighted building with ping-pong tables, pool tables, and various table games for your use during your free time. See check-in procedure, located in your handbook, for your game room locker details.

SPORTS CENTER: A full size, lighted pavilion, containing an open-air basketball court with balls available for your use.

VOLLEYBALL: A lighted competition size volleyball sand pit complete with net and boundary markings. Volleyballs are provided.

GAME FIELD: A large grassy playing field. Area is suitable for kickball, soccer or games such as baseball. You will need to bring your own sports equipment. Also a good location for relays and outdoor crowd breakers.

CAMPFIRE: We have four campfire areas available for groups. These areas are small with log seating. With advanced notice we will have your fire built for you to light when ready. Usually we have more than one group here at a time, so scheduling back-to-back campfires between groups is sometimes necessary. There is no extra charged for this added feature.

PAVILIONS: There are many small pavilions available for breaking into small groups. Four large pavilions are available for larger groups. The waterfront pavilion has seating and some tables for snacks. This is a good central location to watch your kids while they are doing the activities or enjoy an after campfire snack. Lights are on a timer for evening use. Another large pavilion, located next to the snack shack is great for snacks. Also located under this pavilion is a small locked room with refrigeration and storage for you to keep snacks.

HUMAN FOOSEBALL: A life-size fooseball game that is great for team building activities. This is located next to the Wilson Center meeting room. Unfortunately no lights are available for night games.

SWIMMING: Two hours of swimming is included in the activity plan; however, if you would like additional hours, a certified lifeguard must be present. We can provide lifeguard(s) for \$10.00 per hour per guard. Large groups may require more than one lifeguard. You may provide your own lifeguard, but we must have a photocopy of their current certification on file. Please contact Stephanie for more information.

HAYRIDES: A tractor drawn hayrack with loose hay is available for hayrides around the camp's ninety acres. This ride takes approximately twenty minutes and is available up to 9:30 pm (start time). Cost is \$25.00 minimum or \$.50 per person. There is no charge for individuals choosing not go. The number riding needs to be turned in to Sherri for billing purposes. The scheduled time must be met or there will be an extra charge for delays over thirty minutes.
