Summer Camp Information 2018

Thank you for expressing interest in summer ministry at Life for Youth Camp. The following information will help you decide if this is where you would like to minister this summer.

Camp History Life for Youth Camp was founded in 1961 by Uncle Dick and Aunt Betty Stevens. The camp is a non-denominational Christian camp that is passionate about connecting young people to Christ. We strive to provide a safe environment where parents can send their children for wholesome fun activities while providing time to learn more about Christ. Robby and Sherri Stevens, the son and daughter in-law of Dick and Betty became the camp directors in 2001.

Day Camp An average of 400 Day Campers ages five to fourteen; arrive on the camp grounds each weekday during the summer. They can choose from one to all ten weeks of Day Camp.

Resident Camp The camp can accommodate 220 Resident Campers each week. This program allows campers, ages eight to sixteen, to sleep in the cabins with their counselors.

Junior Counselor We choose our Junior Counselors from our C.I.T. (Counselor In Training) program. These teens help minister during the day and sleep at their homes each evening.

Senior Staff These are counselors ages 18 and up who have finished High School. We recruit over 75 senior staff to minister to the campers. Challenging the young people of today to live for Christ in and away from home is a ministry that LFYC does not take lightly.

Application Once we have your completed application we will contact you for a phone interview. If accepted you will receive a covenant to sign.
